Allergen information in accordance with the Codex recommendation. Allergens are listed when the specified substances or products made from them are present as ingredients in the finished dish. The 14 main allergens are labelled in accordance with the statutory requirements (EU Food Information Regulation 1169/2011). There are also other substances that can cause food allergies or intolerances. Despite the careful preparation of our dishes, traces of other substances used in the kitchen during preparation may be present alongside the labelled ingredients. If you have an allergy, please let our service team know.
